

HAMP Meeting Notes 10-12-17

Participants:

IHS: James Carter, Jesse DeCoteau

HUC: Tim Bodell, Carroll Onsaie

EPA: Emmanuelle Rapicavoli

- 1) **PER revision** – IHS submitted a cover letter and proposed revision plan for the PER to the HUC. The HUC plans to send the plan to USDA-RD on Friday October 13, 2017 via email. The HUC and IHS plan to follow-up with USDA-RD via a phone call to discuss the plan and gain approval. Once IHS has approval they will move forward with the PER revision. They anticipate it taking 3-4 weeks once USDA-RD agrees to their concept. IHS is also working on final design components of the HAMP.
- 2) **HUC Meeting with WET Team** – The HUC met with the WET team to propose their 5-year funding proposal. They plan to fast track a Hopi Council budget resolution to fund the utility. The WET team has concerns about the bottom line cost to the villages.
- 3) **FMCV Signature** - The Tribal Chairman agreed to write a letter to FMCV to assist the HUC with obtaining signature on the MOA. The HUC plans to meet with them on Tuesday October 17th.
- 4) **Hopi Tribal Council Meeting** – The HUC confirmed EPA and IHS presentation to the council on November 8, 2017, 10 am – 12 noon (MST).
- 5) **Next Meeting** – EPA will send out invite for our next meeting November 1, 2017.
